Dear Mrs/Mr

I am writing to apply for the web developer internship at your company. As a fourth-year student specializing in web development, I am passionate about creating visually appealing and intuitive web interfaces that enhance the user experience.

Throughout my academic journey, I have developed a strong understanding of web development principles and techniques. I have gained a solid foundation in web development concepts and programming languages such as HTML, CSS and JavaScript. Through my coursework and personal project, I have acquired the skills necessary to design and develop responsive and user-friendly website.

I am attracted to your company's reputation for innovative web solutions and commitment to excellence. An internship with your company would provide invaluable industry exposure, allowing me to apply my skills and continue growing as a web developer.

I have attached my resume for your review, which provides more details about my qualifications and experiences.

Thank you for considering my application. I am excited about the opportunity to contribute to your company as an intern. Please feel free to contact me at (+855) 803 428 or seksotheavy31@gmail.com for any further information.

Sincerely,

Sek Sotheavy
